

AGENDA

Date & Time: 26 September 2018, 14:00 – 19:00

Venue: Room 3, Botanical Garden of Turin (inside the Valentino Green Park), Department of Life Sciences and Biology, Viale Mattioli 25, Turin, Italy

14:00 – 14:30	Registration and coffee
14:30 – 14:45	Welcome remarks and introduction to the Pilots4U project Lieve Hoflack , Pilots4U Coordinator and Project Acquisition Manager at Bio Base Europe Pilot Plant, Belgium
14.45 – 17:40	Session 1: Evaluation of current open-access landscape and future opportunities Moderated by Andrea Muñoz García , Consultant, NNFC, UK <i>Content: Presentation of Pilots4U main results: where can you find open-access facilities relevant to your sector and what do they offer? What do European industries need from open-access pilot plants? What are the gaps in the open-access landscape?</i>
14:45 – 15:00	<u>Case study 1: The industrial biotechnology sector: liquid fermentation and biocatalysis</u> Lieve Hoflack , Pilots4U Coordinator and Project Acquisition Manager at Bio Base Europe Pilot Plant, Belgium
15:00 – 15:25	<u>Q&A / Discussion case study 1</u> Viewpoint of workshop participants led by moderator and assisted by SLIDO.
15:25 – 15:40	<u>Case study 2: The industrial biotechnology sector: solid and gas fermentation</u> Lieve Hoflack , Pilots4U Coordinator and Project Acquisition Manager at Bio Base Europe Pilot Plant, Belgium
15.40 – 16:05	<u>Q&A / Discussion case study 2</u> Viewpoint of workshop participants led by moderator and assisted by SLIDO.
16:05 – 16:20	Coffee break
16:20 – 16:35	<u>Case study 3: The thermochemical conversions sector</u> Mahrokh Samavati , Postdoctoral Researcher at Royal Institute of Technology (KTH), Sweden
16.35 – 17:00	<u>Q&A / Discussion case study 3</u> Viewpoint of workshop participants led by moderator and assisted by SLIDO.
17:00 – 17:15	<u>Case study 4: The chemical processing sector</u> Mika Härkönen , Principal Scientist at VTT Technical Research Centre of Finland, Finland
17: 15 – 17:40	<u>Q&A / Discussion case study 4</u> Viewpoint of workshop participants led by moderator and assisted by SLIDO.
17:40 – 18:15	Session 2: Improving interconnection and service delivery Moderated by Lieve Hoflack , Pilots4U Coordinator and Project Acquisition Manager at Bio Base Europe Pilot Plant, Belgium
18:15 – 18:30	Concluding remarks Andrea Muñoz García , Consultant, NNFC, UK
18:30 – 19:00	Drinks reception
