

AGENDA

Date & Time: 16th October 2018, 13:00 – 19:30

Venue: Pierre Baudis Convention Centre, 11 Esplanade Compans Caffarelli, Toulouse, France

13:00 – 13:30	Registration, lunch & familiarising with SLIDO
13:30 – 13:45	Welcome remarks and introduction to the Pilots4U project Lieve Hoflack , Pilots4U Coordinator and Project Acquisition Manager at Bio Base Europe Pilot Plant, Belgium
13.45 – 16:55	Session 1: Evaluation of current open-access landscape and future opportunities Moderated by Andrea Muñoz García , Consultant, NNFCC, UK <i>Content: Presentation of Pilots4U main results: where can you find open-access facilities relevant to your sector and what do they offer? What do European industries need from open-access pilot plants? What are the gaps in the open-access landscape?</i>
13.45 – 13.55	<u>Introduction to session 1: what to expect from this workshop?</u> Andrea Muñoz García , Consultant, NNFCC, UK
13:55 – 14:15	<u>Case study 1: The industrial biotechnology sector: liquid fermentation and biocatalysis</u> Lieve Hoflack , Pilots4U Coordinator and Project Acquisition Manager at Bio Base Europe Pilot Plant, Belgium
14:15 – 14:45	<u>Q&A / Discussion case study 1</u> Viewpoint of workshop participants led by moderator and assisted by SLIDO.
14:45 – 14:55	<u>Case study 2: The thermochemical conversions sector</u> Mahrokh Samavati , Postdoctoral Researcher at Royal Institute of Technology (KTH), Sweden
14:55 – 15:25	<u>Q&A / Discussion case study 2</u> Viewpoint of workshop participants led by moderator and assisted by SLIDO.
15:25 – 15:40	Coffee break
15:40 – 15:50	<u>Case study 3: The chemical processing sector</u> Mika Härkönen , Principal Scientist at VTT Technical Research Centre of Finland, Finland
15:50 – 16:15	<u>Q&A / Discussion case study 3</u> Viewpoint of workshop participants led by moderator and assisted by SLIDO.
16:15 – 16:30	<u>Case study 4: The industrial biotechnology sector: solid and gas fermentation</u> Lieve Hoflack , Pilots4U Coordinator and Project Acquisition Manager at Bio Base Europe Pilot Plant, Belgium
16.30 – 16:55	<u>Q&A / Discussion case study 4</u> Viewpoint of workshop participants led by moderator and assisted by SLIDO.
16:55 – 17:30	Session 2: Improving interconnection and service delivery Moderated by Lieve Hoflack , Pilots4U Coordinator and Project Acquisition Manager at Bio Base Europe Pilot Plant, Belgium Viewpoint of workshop participants led by moderator and assisted by SLIDO.
17:30 – 17:35	Concluding remarks Andrea Muñoz García , Consultant, NNFCC, UK
18:00 – 19:30	Drinks reception kindly provided by EFIB at main exhibition area
